

RAP MUSIC by Sean J.

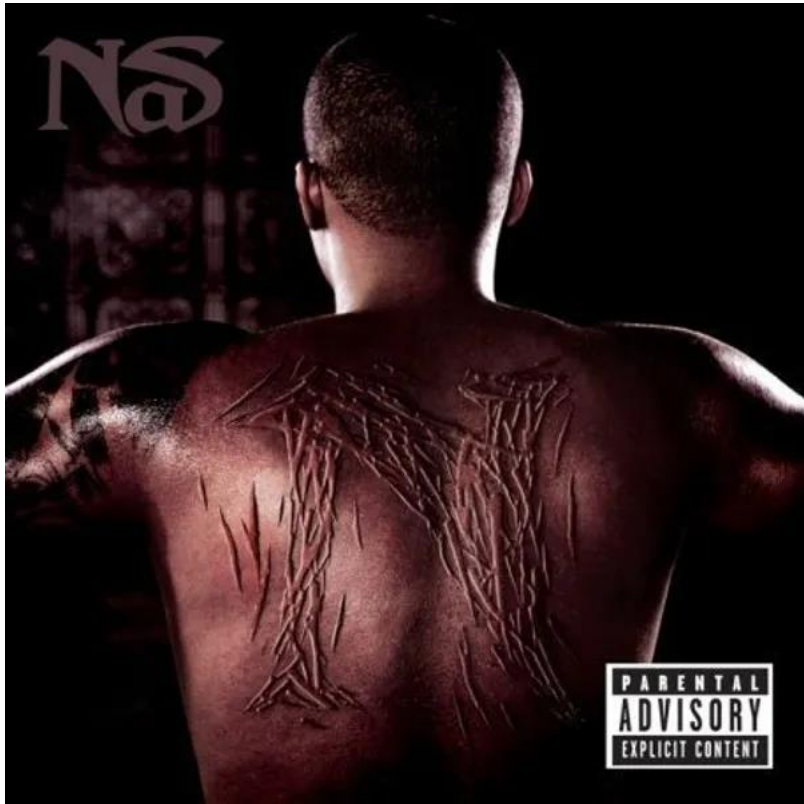

Hip-hop, created by black and Latino youth in the mid-1970s on the East Coast of the United States, is now represented throughout the world. The form's core elements — rapping, deejaying, breaking (dance), and graffiti art — now join an ever-growing and diversifying range of artistic, cultural, intellectual, political, and social practices, products, and performances.

hip-hop capture and reinterpret hip-hop's history by incorporating local as well as African American aesthetic, cultural, social, and political models. This essay examines the global movement of the hip-hop nation and its artistic incorporation into global youth culture.

Nas, was released on July 15, 2008 by The Jones Experience and Def Jam Recordings. Its original title Nigger was omitted due to controversy surrounding the racial epithet. The album is distinguished for its political content, diverse sources of production, and provocative subject matter.

Nasir bin Olu Dara Jones (born September 14, 1973), better known by his stage name Nas (/nɑːz/), is an American rapper, songwriter, and entrepreneur.[1] Rooted in the New York rap scene, he is regarded as one of the greatest rappers of all-time.] Nas has released twelve studio albums since 1994, seven of which are certified platinum and multi-platinum

Nas songs tackle racial issues among America and gives inspiration for African Americans to express there selves and be proud of who they truly are and embrace there culture and history Grammy Award for Best Rap Album king disease by nas

BET Hip Hop Award for Best Impact Track daughters by nas

Another group that was leading voice in moment was nwa .

were before their time. They questioned the law enforcement's racially biased tactics in Los Angeles and were probably the voice of many black Americans at the time who felt overlooked and misunderstood. Nothing could censor these young Compton natives, including a FBI warning, arrest threats for performing police-bashing songs or general public criticism.
